

Healthy Bones is a complete bone nutrition formula, featuring calcium exclusively from pure microcrystalline hydroxyapatite concentrate (MCHC)—a complex crystalline compound composed primarily of calcium, phosphorus, and organic factors that naturally comprise raw bone. The MCHC in Healthy Bones is cold-processed to preserve the delicate protein matrix and organic factors. This comprehensive formulation also provides vitamin D for bone and muscular health.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take three capsules daily or as directed by your healthcare practitioner.

CAUTION: Keep out of the reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

Formulated to Exclude: Wheat, gluten, yeast, corn, soy, dairy products, nuts, tree nuts, fish, crustacean shellfish, or artificial colors, sweeteners, or preservatives. See Allergen Statement. ◊

Healthy Bones

Complete Bone Nutrition with Vitamin D

Dietary Supplement

90 CAPSULES
